Allegan County devastated by storms

By Gari Voss

Meteorologists across Michigan forecasted that intense storms would reach Lake Michigan's shores by Thursday, May 15, 2025. Their words rang true as the skies darkened and the winds increased into Thursday evening and thunderstorm warnings were issued.

As the weather maps turned colors to indicate areas where the winds were beginning to swirl, tornado warnings then watches came across the television and radio stations. But it was not just the tornadoes that caused havoc. Winds reached a fever pitch beginning along the Lake Michigan shoreline and progressed across Allegan County through Barry County and beyond as trees fell like toothpicks.

Area storm tracking teams gave at least 30 severe thunderstorm and tornado warnings. Communities began reporting extreme damage beginning with Saugatuck then moving across the northern sections of Allegan County. In the beginning, the winds were of greatest concern.

As the progressed, the tornado warnings scrolled across the television screens.

Luckily, many of the trees fell onto lawns or fields, but some demolished large portions of homes where residents reported having just reached basements or safe areas before trunks and/or huge branches breeched roofs and came to rest in spaces family members had just occupied.

As the line of storms marched across the county, messages of tornado watches began streaming over the airways.

At 10:28pm, the first EF-1 tornado touched down southwest of Dorr, MI near Sandy Pines. The winds intensified to 90 mph by the time it reached the intersection of 138th Ave. and 24 St near Dorr. The damage left during those five minutes was mostly tree debris but will take far longer to clean up.

At 10:41pm, the second tornado touched down near the intersection of 114th Ave. and 16th St. During the 8 miles it was on the ground, its winds reached 95 mph. The path's trajectory was a direct hit on downtown Martin and continued toward Orangeville. The most intense damage was where 116th Ave. crosses US-131, but the Schnable Lake Family Campground on 115th Ave. just west of US-131 reported overturned trailers and trees that landed on rooftops.

The National Weather Service (NWS) confirmed these two tornadoes on Saturday, May 17th after extensive investigation. Warnings that describe if an area might experience a tornado is done quickly using radar, but when a tornado is experienced, NWS sends a team to survey that area. The extent and intensity of damage is examined for patterns of the debris.

The two tornadoes in Allegan County were determined to be EF-1 on the Enhanced Fujita Scale. These are moderate tornadoes with winds between 86 and 110 mph. The evidence confirming these included roofs being torn from buildings, windows broken, cars moved from their location, and trees uprooted.

Allegan County Response to storm damage

Allegan County Road crews and emergency response units responded immediately to the 911 calls on May 15, 2025. The volume was so great that Undersheriff Mike Larson asked residents not call 911 unless it was a medical or personal injury emergency, but that did not mean assistance was not on the way.

The areas deemed to have suffered the most damage included Martin, Dorr, Wayland, Hopkins, parts of the City of Allegan, and portions of the lakeshore near Saugatuck and Douglas.

Memorial Day Celebrations around Allegan County

By Gari Voss

Monday, May 26th marks Memorial Day 2025, a day to remember all those who have given their lives to preserve the freedom of the United States. Across Allegan County, veterans, community leaders, and volunteers plan celebrations to honor those from their communities who gave the ultimate to their country – their lives.

City of Allegan
Monday, May 26, 2025: Parade & Service

10:00am – All interested in participating in the parade should be at the County Courthouse Parking Lot by 9:45am. All are encouraged to participate in the parade and no registration is necessary. The American Legion and Allegan High School Band will lead the parade around Downtown to Monroe St. then up Ely St. to Arbor St. to Oakwood Cemetery.

11:00am – Service led by the Allegan American Legion at Oakwood Cemetery with the American Legion, Boy and Girl Scouts, Allegan High School Band, Sons of Union Veterans of the Civil War (SUVCW) General Benjamin Pritchard Camp No. 20, and military groups, plus the fire trucks.

Following the Service - After the Memorial Day celebration at the Oakwood Cemetery in Allegan on Monday May 26, the Immanuel Lutheran Church will offer a light luncheon in their Fellowship Hall at 631 Grand Street, near the Allegan Airport. Everyone is welcome for sandwiches and refreshments. Call the church office at (269) 673-3335 for questions or details.

City of Fennville
Monday, May 26, 2025, 10am: Fennville Memorial Day Parade & Program

The Fennville VFW Post 7911 under the leadership of Quartermaster David Hopkins will sponsor the Fennville Memorial Day Parade and Memorial Service at the Fennville Cemetery. The community is invited to join in celebrating, remembering and honoring those who served and died for our country. The VFW encourages community support and participation and invites all area veterans to join in the parade. The public may watch the parade then follow to the Fennville Cemetery for our Memorial Day Service. If questions, contact jodymartin1@comcast.net.

9:30-9:45am: The parade will line up on North Maple Street and 2nd St.

10:00am: The Fennville High School Marching Band, under the direction of Mr. Andres Garcia will play the Star Spangled Banner. Boy Scout Troop 45 and Pack 3045 will lead the flag raising ceremony in front of Veterans Memorial Park on North Maple Street.

The parade route travels from Paradise Park to the Cemetery following the usual route down Main St. The VFW encourages all veterans, community members and scout troops to participate in the parade along with decorated bicycles, golf carts, vintage automobiles, horses or floats.

Dorr

The Dorr American Legion Post 127, 4310 18th St., Dorr, will honor veterans at local cemeteries. Please, attend at the closest cemetery. For information call (616) 681-2259 or Barbara Lavigne, barblavigne2009@yahoo.com.

Man reported missing in Kalamazoo River

By Jason Wesseldyk
Sports Editor

PLAINWELL—A man went missing in the Kalamazoo River in Plainwell on Saturday, May 17.

According to Plainwell Department of Public Safety director Kevin Callahan, the Allegan County Central Dispatch received a 911 call at 12:49 p.m. reporting that an elderly male standing on the bridge over the Kalamazoo River on US-131.

The caller indicated that the man was standing over the guardrail at the edge of the bridge.

Officers from the Plainwell Public Safety were promptly dispatched to assess the situation. Upon arrival, the responding officer found the man's vehicle parked on US-131 and observed the man standing in a shallow area of the river below the bridge.

"When the officer attempted to engage with the subject, he did not respond and subsequently submerged himself in the water," Callahan said in a statement.

Plainwell Fire Rescue and Allegan County Sheriff's Office personnel were immediately dispatched to provide water rescue support.

Other agencies that assisted with the situation were:

* Allegan County Dive Team
* Otsego Police Department
* Otsego Fire Department
* Saugatuck Fire Department
* Allegan County West Side Drone Team
* Gobles Pine-Grove Fire Department
* Michigan State Police Wayland Post
* Michigan Department of Natural Resources
* Michigan State Police Air Support
* Plainwell EMS

"Authorities are continuing their efforts to locate the individual," Callahan said in the release. "Further updates will be provided as information becomes available."

Abandoned Wells
Got one?

The Allegan Wellhead Protection Program is looking for abandoned, unplugged wells.

Abandoned, unused, unplugged wells threaten groundwater resources and public health. Contaminants from the surface such as fertilizers, pesticides or other run off water, can easily move downward through the unsealed, abandoned well and enter the aquifer. These contaminants may end up in your drinking water well, your neighbors well or the local community drinking water wells.

The City of Allegan would like to identify any abandoned, unplugged wells in and around its wellhead protection zone and explore having them plugged. The zone extends east from the city of Allegan along the north side of M-222 east to 24th St.

If you are the owner of the abandoned, unplugged well and would like assistance in plugging the well. Please contact Allegan Water Utilities at 269-686-1117 or by emailing to Doug Sweeris at dsweeris@cityofallegan.org

State needs to have more control over spending

MIKE'S MUSINGS

MIKE WILCOX
■ PUBLISHER ■

I shake my head at some of the shenanigans pulled by leaders we place in public office. Very few of them understand that the money that pays their salaries and funds the programs that run the government come out of our pockets. Maybe understand is not the correct word, maybe they just don't care.

If they did they would be more diligent on how our funds are spent. A case in point would be the $25 million that was granted to a local person in Clare to build a grandiose health park. The local person happened to work for House Majority leader at the time, also a Clare resident. Somehow, someway the bid was granted without seeking competitive bids.

Now if you know anything about Clare County, you know a $25 million project is very unusual. Developers might put together a $5 million or $10 million deal, but $25 million, that's not likely in a rural county of 30,000 population.

A lot has been written about this albatross, but it came to light again this week when the Attorney General filed 7 felony charges against the man, and law enforcement raided his home to search and arrest him.

This is just an egregious example. For too many years individuals have formed non-profits and then petitioned the state for funds, and on many occasions, have been granted them with essentially no oversite.

I remember owning the local newspaper in Hamtramck several years ago and visiting a non-profit in the community. The leaders bragged about how much their charity received from the state while surrounded by custom furniture and pocketing much of the money.

I was told in Detroit this happens all the time. The legislature feels Detroit non-profits are very deserving of our money because it is the state's biggest city and has the greatest need. I got no problem with that assumption, I just have a problem with the lack of controls.

Of course it is worse at the federal level. Legislators have no clue who is getting our money and what they are doing with it. Let's just say a lot of people have gotten rich from non-profit grants.

One of those who thought he might be one of the those, the Clare man, had allegedly used part of the $25 million grant money to buy cars and gold bars. Those items were confiscated by law enforcement in the raid.

The Clare man was a pillar of the community. Beyond being the top aide to the House Majority Leader, he was Executive Director of the Clare Area Chamber of Commerce. He was also elected to the Clare County Road Commission. He was not someone you would expect in a million years to defraud state government.

The fact that he almost got away with it, only because a hired hand-turned state's evidence, is a black mark on the state's ability to manage its budget. I really hope people lost their jobs over this. More importantly I hope the state manages their budget affairs more prudently.

Life as Performance Art

G CORWIN STOPPEL

One of my favorite short stories is The Verger by Somerset Maughn. Mr. Foreman had held the position for decades until the old clergyman retired and a new one was called to serve the parish. It was not very long after that when the new cleric realized that his verger was illiterate. It wasn't that he needed to know how to read do his work; he worked around the challenge. Besides, the parishioners liked him and the work he did. But the new minister had aspirations of turning his parish into a 'society church' and it would not do to have an illiterate verger. Besides, the verger was elderly and needed to be put out to pasture.

He gave Mr. Foreman a month to learn how to read, but it didn't work out. So, he was out the door. Not even a sheet cake or a farewell party.

It was not the loss of his job or an income that bothered him. It was the loss of his sense of value and identity. As he walked home that evening, he reached into his pocket for his pipe and tobacco, but discovered the pouch was empty. He kept walking, and there was not a tobacco store in sight. That gave him an idea, and to cut to the chase scene, he opened his own store. It was so successful that he opened a second, and within a couple of years owned a chain of shops across London and was a wealthy man.

One afternoon the bank manager wanted to see Mr. Foreman about moving some of his savings into bonds that would earn him more money. He had all of the paperwork ready for their meeting, and gently pushed them across his desk for him to sign. Mr. Foreman pushed them back and explained, "I can't read or write."

The banker was astonished and asked, "Can you imagine where you would be today if you could read?" "Yes, I would be the verger of St Peters Neville Square," Mr. Foreman answered wistfully.

Until about 90 years ago, people worked as long as their health would allow it, or until they died. If they were not able to work and had gone through their savings, they relied on their families to care for them or moved to the Country Poor Farm.

Then, as part of President Roosevelt's New Deal, the Social Security program was initiated, with a guaranteed but small old age pension starting at age 65. That year was chosen because actuarials determined that the average person lived until they were 68. Getting them out of the workforce meant there would be more jobs for young people, and that would help return the country to prosperity. The program was billed as a reward for decades of hard work.

What was not considered is how often so many of us find much of our identity throughout work. That seems to apply primarily to men. From what I have observed, women tend to find their sense of identity through connections and relationships. If they retire there are far more opportunities for them to network. Men aren't nearly as successful in that department, and end up being far more lonely, which doctors tell us is not good for our health.

If you watched the 2022 Tom Hanks film, "A Man Called Otto," you understand the social problems created when older people lose their sense of connection and a meaningful life. And then you see them come alive when they have something meaningful to do.

Not surprisingly, after years of dreaming and fantasying about all the leisure time that comes with retirement, it is not very long before many men are going back to work. The money is an extra little bonus, but the real benefits are intangible. It might be the work relationships and connections, but most importantly, it is knowing they still have value and importance in this world.

I noticed it with some of my older friends who had been physicians at the Mayo Clinic. The mandatory retirement age was 65, and no exceptions. In time, the Clinic realized that one size does not fit all, and they made arrangements for part-time, non-tenured opportunities for older former employees. Everyone benefitted.

Mr Leach, a custodian there, decided to take a different route. He had always said he was going to take up golf in retirement but then changed his mind. He put up a notice on the bulletin board at the Piggly Wiggly that he was available to mow lawns. He explained that he couldn't see much point in whacking away at a little white ball and then hiking after it. If he wanted to go for a walk, he'd rather push a mower, bring order out of chaos in a messy lawn, help people, and make some money. With a wink, he added, "under the table."

Going back to work is what happened with a friend of my parents. He had been a tool and die maker at a piston ring factory, and when he was retired, a few months later they hired him as their part time "Fix-it Guy." He knew machinery and could quickly and efficiently make repairs. Each job assignment was a measure of pride and success.

Another acquaintance retired from working as an electrical engineer, realized that he was far too young to be retired (at the age of 70) and began a new chapter in life as a math tutor. He doesn't work full time, but he knows he is making a difference with young people struggling with solid geometry. The money is not much, but he scrupulously invests half of it by taking his wife out every Friday for "date night." The other half is set aside for a cruise in the winter. Mind you, that is not easy. Every year she has to pry him away from his work with a "now hear this" message.

Another fellow saw a help wanted sign in the window of a wine shop, went in, and told the owner he was available. "Do you know much about wine?" he asked. The applicant said, "Well, not a lot, but I know most of it tastes pretty good." He was not hired for his knowledge of wine, but for his people skills.

These recycled former retirees put all of their business and social skills, learned over the decades, back to work. It gives them purpose, and a reason to get up in the morning. That is something we all need. Sometimes it is expressed in interesting ways.

An older gentleman took a job stocking shelves at a store, and some of his friends looked down on him for taking what they considered a low status job. They teased him. One of them called him a stock boy. That did not go over very well. One day the man came through the store and asked, "How's it going, stock boy?"

Those were fighting words, only the employee did not turn the fellow's nose to twelve. Instead, he very calmly said, "You know, I'm the most important man in this store. If it wasn't for me you'd never find what you want because the shelves would be bare."

Once again, it seems that Father was right. One of his little maxims was, "Work is the best kind of fun." For some of us, it is certainly true.

LETTERS TO THE EDITOR

Crossroads For America

Dear Editor:

We are in the mist of becoming an authoritarian government. Laws are being ignored by governmental officials. The executive branch of our government are attacking the media (including free speech), the judicial system, American universities, and attempting to strip our civil liberties.

The following are a fraction of some distressing trends:

1. Do you believe politicians have an obligation to be truthful when under oath during committee hearings? If yes consider that Tulsi Gabbard, Director of National Intelligence, and CIA Director John Ratcliffe lied to Senate members during a Senate hearing.

2. Do you believe that from minor to major pornography should be a federal crime as proposed by the House GOP. This would range from purchasing a magazine to sexual improprieties. Many of the present political leaders would be charged with this GOP proposed bill. This is straight out of the 2025 Project.

3. Do you believe in a $5 Trillion tax break for the wealthiest Americans with severe cuts to Medicaid, SNAP (food stamps), limit climate change strategies, and rolling back ACA (affordable care act for health insurance). All these issues would leave millions without health insurance. Also $350 billion dollars for speedy deportations (this includes some American citizens without any criminal records). This is a GOP proposal that has yet to be passed. Trump is pressuring members of the House of Representatives to hurriedly pass this proposal. If you believe this is good government matters will continue to get worse.

4. Do you believe that Habeas Corpus should be suspended? The GOP and our own President is pushing this unconstitutional move. I'm hoping the answer is a big NO.

5. Do you believe that the person in charge of the nations health (Director of Health and Human Services Robert Kennedy Jr.) should advocate not being vaccinated against preventable diseases, and reducing drastically research for cures of many diseases including cancer (especially children's cancer). If yes the health of our citizens is in peril.

6. Do you believe that transcripts of President Trump's speeches should be hidden from the public? Presently only 20% of transcripts from speeches have been released to the public. The most unhinged comments (which are untrue) have been kept secret. Hopefully most citizens would want transparency from their government. Transparency is one of the things that keeps a democracy healthy.

7. Do you believe in cancelling grants to major universities doing scientific research combating the fight against various diseases that harm society. Columbia and Northwestern in particular have been instrumental in finding cures, but now are being harmed by unethical cuts from the federal government. If you believe these cancellations are beneficial society will definitely become more unhealthy.

8. Do you believe it is good for the Trump family to have ties with the Middle East. It has more than tripled since Trump's first term. No wonder our foreign policy in the Middle East keeps getting worse as time goes by. My hope is that rational people see this as a money grab for Trump and his family which is disgusting.

9.Do you believe it is a coincident that Yale professors are fleeing because of fascism concerns? Yale professors Marci Stone, Timothy Snyder, and Jason Stanley who are career experts on authoritarianism across the world. They are seeing a rise of fascism as so critical and dangerous that they gave up their prestigious posts at Yale, and have been hired at universities in Canada. They believe the crackdown by the Trump Administration in higher education is a major fascist ploy which is dictating what is taught and how it is taught. These are some of the brightest leaving the country. It will be Canada's gain and America's loss.

Take this serious what is happening right before our eyes.

Are you prepared for Judgment Day?

Dear World and Editor:

I'm tired of people loving their sin and hoping that our government will fail. We need to be lifting them up instead of tearing them down. Where were all of you though the last administration? Oh, yeah, they weren't coming against your sin. In fact, they were promoting it. Stop ridiculing this administration trying to make your lives better. If you don't like them, then turn to prayer. If you don't know how, here is your guide;

"Father God, in Jesus' name, we give thanks for the United States and its Government. We hold up in prayer before You the men and women who are in positions of authority. We pray for the president, vice president, as well as all those who are in authority over us in any way. We pray that the Spirit of the Lord rests upon them, and protection for all of them.

Prov. 2: 10 - 12; We believe that skillful and Godly wisdom has entered into the heart of our president and those over us and knowledge is pleasant to them. Discretion watches over them; understanding keeps and delivers them; Wisdom will save them from the way of evil and evil men. Isaiah 54:17; No weapon formed against them will prosper.

Your Bible, Your word declares that Psalms 33:12; blessed is the nation whose God is the Lord.

So we declare with our mouths (not thoughts) that Your people dwell safely in the land, and we prosper abundantly. In the name of the risen, exalted, warrior King Jesus. Amen."

God is watching, He knows what you think and do. There will be a Judgment Day, it is not a fairy tale. Will you be prepared for yours?

Town Hall experience leaves writer baffled

Dear Editor:

Some how, I received an invitation to attend a political Town Hall April 14th in Wayland featuring Senator Elissa Slotkin and Representative Bill Huizenga. Having never been to a Town Hall, I decided to attend because I had one question for Senator Slotkin. I thought this would be a perfect opportunity to see two politicians in action, one Democrat and one Republican.

Two chairs were setup in front for the two main speakers. The Town Hall was about to start when Helen, the organizer of the event, announced that Bill Huizenga is a NO show. She sent Bill an email invitation, he replied NO. So she sent another and got no reply so she decided he was coming. Helen went over to the chairs. Pointing to Huizenga's chair, she turned over a large printed poster with "Where's Waldo" in large letters. Helen indicated Bill Huizenga was afraid to meet with his "Constituents"; Democratic supporters? On the poster is "Who's Waldo"? Waldo is a 1993/8 fictional comic strip character.

Senator Slotkin's chair was occupied by a man, Joe for this article, a former State Democratic politician who will take Senator Slotkin's place and answer her questions.

At this announcement, a man jumps up telling Helen the meeting adds totally misrepresented the Town Hall meeting; No Senator or House Representative would be attending. Helen forcefully told the man she had no control over why both key presenters didn't' show up; she repeated this again louder, the man sat down. Helen introduces the first speaker. He talked about being fair, respectful and sympathetic toward indigenous peoples, LGBTQ...+ persons, the poor, … and underprivileged peoples. Followed by several reasons to save the planet.

Joe, the main speaker started out with topics covering many Hot Democratic talking points: We must fight in the streets, in the House, in the Senate, … in the Courts. In 2026 we must reelect a Democrat to fill the Senate seat. Fight against Bill Huizenga; he is running for our Senate seat; Huizenga's afraid of your questions that's why he's no show. Please come forward with your questions.

The first question was, "What is DOGE doing"? Joe responded with advertised TV Democratic words: Musk and Trump are mean, lying, will take your job, … money. I'm next. Hi! I've been living in Michigan for about 20 years and have not been represented in the Senate. Senator Stabenow and Peters have voted about 98% to 95% for their party. Senator Slotkin is following the same pattern, voting about 87% for her party. My question is, "Why are over half of Michiganders not represented in the Senate."

Joe responded, What's Huizenga's record? My replied, Huizenga is not in the Senate. Joe repeats his question; I repeat my answer. Joe follows up with, your percentages are not correct; there are many procedural votes. My response, Joe are you saying the Federal Government's percentages on Senate voting is not accurate? Joe continues with more words with no logic or answer to my question.

At this point the room is very quite. The two women, Helen and another, seated at the microphone tell me my two minutes of questions are over. I ask Joe, are you OK with the last four years? The women tells me, Your time is over and manually shuts off the microphone. My Town Hall experience is ended, no answer provided. Walking out of the Town Hall, I hear Joe shout, he's a Republican! I would have responded, as Christian I follow the Ten Commandments.

Are you following the Democratic Party's commandments?

Judy Mae Zimmerman, 72

8/9/52-5/13/2025

Judy was carried to heaven on angel wings at the Wings Home in Allegan on a beautiful day in May just as the trees were flowering and the animals were giving birth. She truly loved nature and was at home among all God's creatures.

Judy Mae Zimmerman

She spent the majority of her life in the Allegan area. She worked for Querback's Leather repairing leather garments. When Querback's closed she bought her machine from them and went into business herself. A talented seamstress, she sewed for hospice patients, the US Army, Perrigo, the laundromat and individuals throughout the county. Along with sewing, she worked for Hoffman's Produce and Hillside Learning Center.

Judy is survived by her sister Bonnie (John) Morse, sister in law Mary Koester, step son Dale (Livvie) Zimmerman of California, Aunt Dorrie (Jim) of Washington State, her dear friend Isabelle Carson and many nieces and nephews.

She was preceded in death by her parents Charles and Ione Koester, her sister Lana Koester and her brother Chuck Koester.

Per her wishes cremation has taken place.

A celebration of life will be held at a later date

Vickie Lee (Allen) Moored, 71

Vickie Lee (Allen) Moored, a woman of unwavering strength, departed to be with her Savior, Jesus Christ, on the morning of April 27, 2025, at home in Allegan, Michigan. She was surrounded by her family, best friend Brenda, and beloved dogs, a testament to her enduring spirit. Vickie, the daughter of Wesley and Francine (Cornell) Allen, was born on September 8, 1953, in Allegan, Michigan. Both of her parents and her brother and sister-in-law, Dennis (Pauline Sill) Allen, preceded her in death. She was reunited in Heaven with her husband, Ronald (Terry) Moored, and daughter, Jodi Lynn Moored. Vickie's heart guided her life, as she spent most of her time caring for and racing horses, and her kind heart extended to every stray that came to her doorstep, both human and animal. She will be remembered for her openness and sharp tongue, but primarily for her ability to always make the best of every situation that life threw her way. She was a fighter until the end. She is survived by her son and daughter-in-law, Michael and April (Golombieski) Moored of Allegan. Her grandchildren and great-grandchildren were the greatest joy in her life. She spent many hours with them, and you could often find them at the family farm playing and having fun. She left behind her grandchildren, Alyssa Burkert and Jackie McCoy, and their children Jadelynn, Bryliegh, and Laiton; Jacob (Pockets) Golombieski and Raquella Pettit and their children Willow, Meadow, and Alder; John Moored and Tori (Tess) Smith and their children Lyric, and Leah; and Noah Verile and Hannah Oatman and their son Leon (Gus). She was also survived by brother-in-law Clyde and Marilyn Moored and sister-in-law Marilyn Ziegler as well as nieces and nephews. Vickie's ashes will be laid to rest in a private family ceremony, and a memorial to celebrate her life will be held on.... June 1, 2025 from 1-4 at American Legion of Allegan

The dust had not yet settled when the Allegan County Board of Commissioners declared a local state of emergency. By declaring a state of emergency, the county officials are empowered to request additional resources from the state and even the federal government that will assist with response activities and allow the county to request additional aide for responders.

Preliminary Damage Assessments

On Monday, May 19th, Allegan County's Emergency Management Team reported that all "preliminary damage assessments must be to the state on or by Tuesday, May 20. The Emergency Operations Center will distribute a release regarding the summary of damage assessments once the information becomes available."

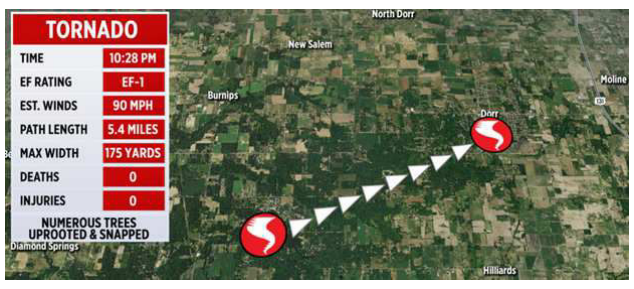
At this time, those whose property sustained damage are encouraged to complete an online damage report at http://www.allegancounty.org/emergency.

Individuals and families requiring assistance should contact the American Red Cross at 800-RED-CROSS.

Organizations and groups whose mission is to respond in times of emergency, can apply for assistance through the Disaster Response Fund, or Allegan County CARES, at https://www.care4ac.org/ or contact disaster@alleganfoundation.org regarding the application process.

Emergency Management Coordinator Sarah Clark encourages those affected by the May 15, 2025, storm to seek the appropriate assistance. She reminds residents that there are many needs, and teams are responding as quickly as possible, but it will take time.

Reports from communities and areas across Allegan County have brought thanks to everyone who immediately came together to clean away brush and debris. Also, to Consumers Energy teams who worked around the clock to get electric service back to customers.



The first Allegan County tornado touched down at 10:28pm near Sandy Pines in Allegan County and lasted five minutes as it bore down on Dorr. Much of the damage was to trees whose branches snapped or roots were pulled from the ground.

The second Allegan County tornado on May 15, 2025, began near Watson then caused damage at Schnable Lake Family Campground before going through downtown Martin. Even with extensive damage to trees and some damage to homes, no one was injured.

TOWNSHIP OF HEATH

COUNTY OF ALLEGAN, MICHIGAN
HEATH TOWNSHIP ORDINANCE NO. 51225
Adopted: 5-12-2025
Effective: 5-23-2025
MICHIGAN GAS UTILITIES FRANCHISE ORDINANCE

AN Ordinance, granting to MICHIGAN GAS UTILITIES CORPORATION, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the TOWNSHIP OF HEATH, ALLEGAN COUNTY, MICHIGAN, for a period of ten (10) years.

THE TOWNSHIP OF HEATH ORDAINS:

Section 1. GRANTING OF FRANCHISE; CONSENT TO DO BUSINESS.

The TOWNSHIP OF HEATH, Allegan County, State of Michigan, (hereinafter called "Township" or "Grantor"), hereby grants to Michigan Gas Utilities Corporation, a Delaware corporation (hereinafter called "Grantee"), its successors and assigns, a franchise to use the highways, streets, alleys and other public places in the Township of Heath, County of Allegan, State of Michigan, for the purpose of constructing, maintaining and operating a gas distribution system in said Township with full right, power and authority to establish, construct, maintain, extend and operate a plant, stations, mains, pipes, conduits, valves, drips and all other appurtenances, apparatus and appliances within the corporate limits of the Township, for the purpose of supplying and distributing to the Township and its inhabitants, gas for heating and other purposes and, for such purposes to enter upon and use the highways, streets, alleys, and other public places of the township and lay, maintain, operate, repair and extend therein, through and thereunder such mains, pipes, conduits, valves, drips, apparatus, appliances and other appurtenances as may be necessary and proper for the distribution of gas throughout and beyond the Township, and for the purpose of conducting and operating a gas business in the Township subject to the terms and conditions hereinafter provided.

Section 2.CONSIDERATION.

In consideration of the rights, power and authority hereby granted, said Grantee shall faithfully perform all things required by the terms hereof.

Section 3.NON-DISTURBANCE OF PUBLIC TRAVEL; RESTORATION; CONSTRUCTION; MAINTENANCE.

In laying its pipes, mains and other appurtenances and repairing and maintaining the same, Grantee shall interfere as little as possible with public travel, and no street, alley, bridge, highway or other public place used by Grantee shall be obstructed longer than necessary during such work. Grantee shall, within a reasonable time, restore same as nearly as possible to the order and condition as when said work was commenced. Grantee shall maintain reasonable barriers, lights, and other devices to warn the users of the streets, alleys, bridges, highways or other public places of work therein. All of Grantee's structures and equipment shall be so placed on either side of the highways as not to unnecessarily interfere with the use thereof for highway purposes.

Section 4.HOLD HARMLESS.

Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the construction, maintenance, operation and use of the services and equipment hereby authorized. In case any action is commenced against the Township on account of the permission herein granted, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage arising out of such construction, maintenance, operation and use. However, Grantee need not save Township harmless from claims, losses and expenses arising out of the gross negligence of the Township, its employees, contractors or agents.

Section 5.FRANCHISE NOT EXCLUSIVE.

The rights, power and authority herein granted are not exclusive. Either manufactured or natural gas may be furnished hereunder.

Section 6.RATES.

The Grantee shall be entitled to charge the inhabitants of said Township for gas furnished therein the rates as approved by the Michigan Public Service Commission, to which Commission or its successors authority and jurisdiction to fix and regulate gas rates and rules regulating such service in said Township are hereby granted for the term of this franchise. Such rates and rules shall be subject to review and change at any time upon petition therefor being made by either said Township acting by its Township Board, or by said Grantee, in accordance with the rules and regulations of the Michigan Public Service Commission.

Section 7.REVOCATION; IRREVOCABILITY UPON APPROVAL OF ELECTORS.

The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation; provided, however, that the same shall become irrevocable if and when confirmed by a majority of the electors of the Township voting upon the question at the next general election or at any special election called for that purpose. If the Grantee does not desire the franchise granted herein to be submitted to a vote of the electors of the Township for confirmation, it shall advise the Township of same in writing filed with the Township Clerk at the time of filing its acceptance of this ordinance as set forth below. If the Grantee does not timely provide the Township with such a waiver the Township Clerk shall proceed to submit the franchise granted herein to the vote of the electors of the Township for confirmation at the next regular election, or at a special election held within 60 days of acceptance of the franchise, if the Grantee demands such a special election and pays all the expenses associated with same, in accordance with MCLA 460.601 et seq/MSA 22.171 et seq.

SECTION 8. TOWNSHIP JURISDICTION.

Said Grantee shall be and remain subject to all ordinances, rules and regulations of the Township now in effect, or which might subsequently be adopted for the regulation of land uses or for the protection of the health, safety and general welfare of the public; provided however that nothing herein shall be construed as a waiver by Grantee of any of its existing or future rights under state or federal law.

SECTION 9. MICHIGAN PUBLIC SERVICE COMMISSION, JURISDICTION.

Said Grantee shall, as to all other conditions and elements of service, not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Township.

SECTION 10. REPEALER.

This ordinance, when accepted and published as provided by law, shall repeal and supersede the provisions of any prior ordinance or contract whereby a gas franchise was granted to Michigan Gas Utilities, including the Franchise Ordinance adopted on September 12, 1994 by this Township, known as Ordinance Number 34 and all amendments thereto.

SECTION 11. EFFECTIVE DATE: TERM.

The effective date of this franchise shall be the latter of the date of the acceptance of the franchise by Grantee, which acceptance shall be filed by the Grantee, in writing, within sixty (60) days after the enactment of this ordinance or the day following the date of publication of the ordinance. If not revoked as provided herein, the franchise granted by this Ordinance shall continue in full force and effect for a period of ten (10) years from the effective date thereof.

Section 12. PUBLICATION.

The Township Clerk is hereby directed to cause a true copy or a summary of this ordinance to be published in the Holland Sentinel, a newspaper circulating within the Township within thirty (30) days after adoption.

Section 13. Recording of Ordinance.

Within one (1) week after the publication of this ordinance, the Township Clerk shall record the ordinance in the Book of Ordinances kept by the Clerk for such purpose. Such record shall include the date of passage hereof, the names of the members voting hereon and how each member voted. An attested copy of the Ordinance shall also be filed with the Allegan County Clerk within one (1) week after the publication.

Military service forges indelible friendships

By Gari Voss & Larry Massey

As Memorial Day 2025 approaches, those who served together in the military either in the country or abroad might get out a photo album or just run the images through their minds. Stories spring forth of crazy antics, places visited, hair raising experiences, or conversations shared with military friends. These memories keep military friends alive and near to the hearts of comrades.

When those who served in the armed forces reflect back on their time in the service, their memories often go not to places but to people. The friendships hewn during months and/or years in close proximity and striving for a common goal leave an indelible mark on the soul and heart.

Larry Massey took a moment to scribe a memory of an army buddy. A friendship begun while being stationed together. The personal narrative received second place in the National Veterans Creative Arts Competition that encourages veterans to share their stories.

Friendships forged in the military often last a lifetime. Larry Massie, on right, and a paratrooper buddy prepare for a jump with the 82nd Airborne Division at Fort Bragg, N.C. in 1967. Photo: L. Massey

ARMY BUDDIES

By Larry Massey

Buddies: special friendships forged during military service that can last a lifetime.

So, there we were. My Army buddy, Dan Carroll, and I sitting side by side in an old blue four-door Ford with the rear end teetering over a three-hundred foot chasm. Below, an array of smashed vehicles, some charred beyond recognition, lay on the rocks. Fearing that the slightest redistribution of weight would send us plummeting into the abyss, we each, ever so slowly, reached for the door handles. It was the summer of 1968, and we were in the Sierra Madre Oriental Mountains of Mexico.

Dan and I had become friends while serving in the 82nd Airborne Division at Fort Bragg. We had both been to "Nam," got hurt there and, mostly mended, joined the 82nd. Dan was assigned to a different battery than I was, but housed in the same barracks. He hated his NCO, called him a "bandy-legged, bone-headed, blow-hard witling." But he liked my NCO, a native North Carolinian who excelled at sarcastic comments during our daily "poop call." So, Dan hung around the periphery and enjoyed the fun.

Of Irish descent, Dan had certainly "kissed the Blarney Stone." But one night, after a couple of hours of "honkytonking" in a cluster of nearby Fayetteville taverns known as "Combat Alley," three thugs who didn't appreciate Dan's shenanigans jumped us. I, who had been fist-fighting since grade school, took on two of them. Dan, unluckily, got the one with a Buck knife. All of a sudden, I was fighting three. I went down. But before the punishment began, inexplicably all three ran.

I jumped up and saw why. There lay Dan on his back, blue eyes wide, and belly bubbling with blood. I ran out into the traffic, stopped cars and got Dan to a hospital. After a month or so, he returned to active duty with his Irish malarkey intact.

That event heightened our friendship. We made a pact that when he got discharged, eight months after me, we would go to Mexico where we had heard you could buy opals for a fraction of their value in the USA. We planned to make our fortune.

After his discharge, I quit my crappy paper-mill job and met Dan in Washington D.C. where his mother lived. We entered Mexico at Nuevo Laredo, and traveling south, found ourselves in the mountains. Following narrow twisting roads without guardrails, we marveled at the number of crashed cars below the curves. One side of a peak would be in sunshine, the other side in fog or rain, and Mexican pavement, we would learn, when wet, was extremely slick.

As we rounded a damp curve, I braked to avoid a truck, missed it, but skidded, spun around twice, and the old Ford came to rest hanging over a shoulder that went straight down.

After we carefully opened the doors, I calmly said, "On the count of three, we'll jump and roll." I never got to three, however. When I said two, we both yelled "Airborne" and bailed.

As it turned out, the car was securely balanced on its frame. A passing policeman arrived, solemnly accepted his bribe, summoned a tow truck, and away we went. Little did we know, but the brake line had been damaged during the incident, and we soon found ourselves barreling down a hill with no brakes. Luckily, we made it into a sandy off-shoot prepared for such eventualities, and with the help of the emergency brake, slowly limped to a nearby village with a repair shop.

The following two weeks, we meandered over much of Mexico with plenty of other adventures but saw nary an opal.

That Mexican expedition further cemented our lifelong friendship. I journeyed to his lair in Great Falls, Montana, where an encounter with an angry grizzly nearly ended that friendship. Dan visited Michigan several times, and he and my wife, Priscilla, also of Irish descent, became good friends, as well.

Then one evening, out of the blue, Dan 's mother called to tell us he was seriously ill in an Erie, Pennsylvania V.A. Hospital. It seems the effects of the wounds in Vietnam and stabbing in Fayetteville had come back to haunt him. Priscilla and I arrived in Erie the next day. I could hardly recognize the emaciated patient. Dan's nurse told us that he would not accept food and was growing weaker because of that. He allowed me to spoon feed him some yogurt.

Then I leaned over and whispered in his ear, "There's something I've been wanting to say for about 30 years."

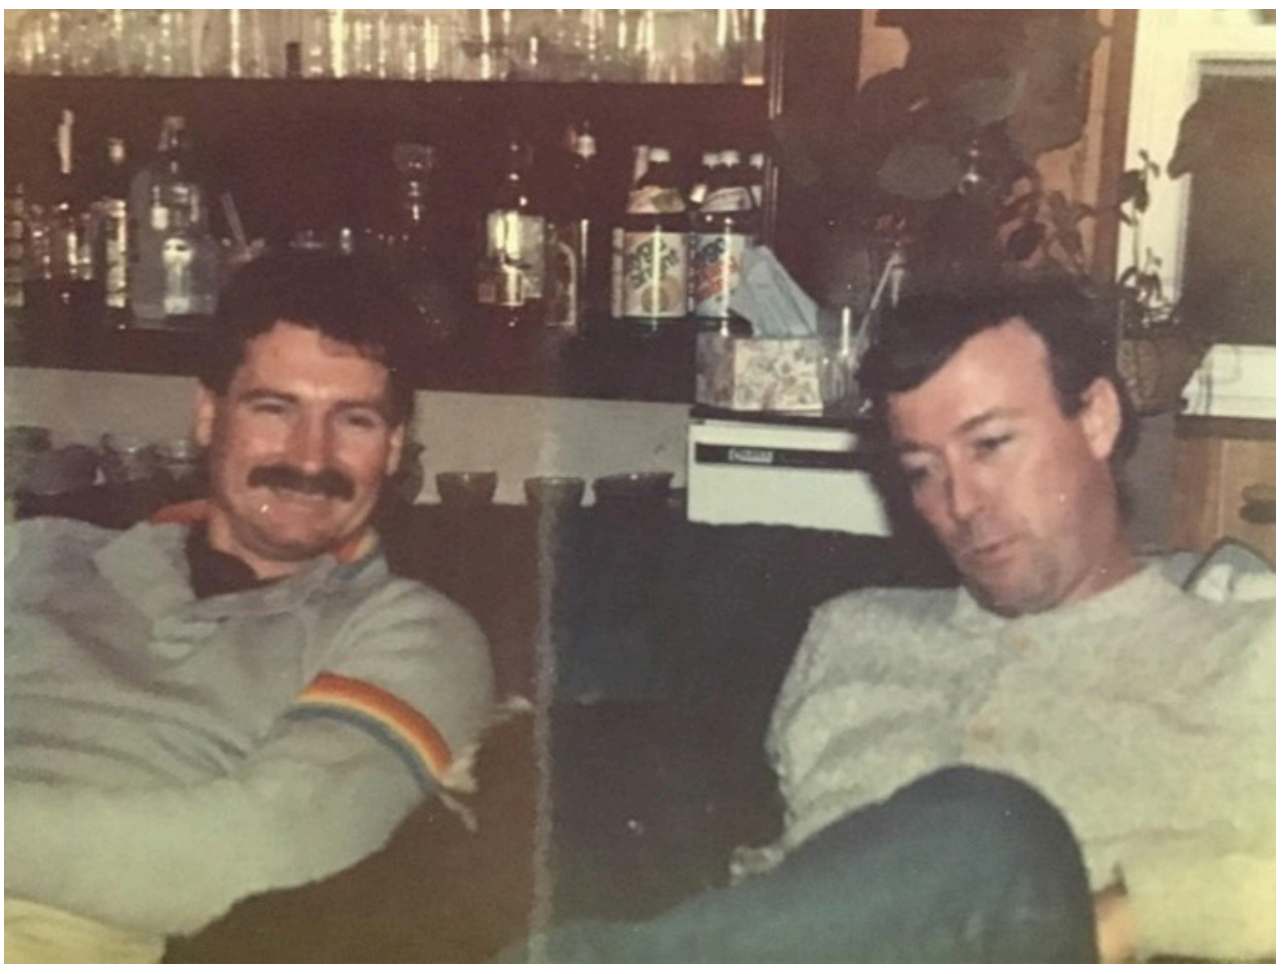
"What?" he croaked.

"Three," I said.

He chuckled and smiled. "About time," he said.

We left, promising to return in the morning. When we did, the nurse told us Dan had passed peacefully shortly after we left.

Fourteen months later, when Priscilla delivered our first child, we named her Maureen Danielle in honor of the Army buddy who will always live in my memory.



Friends for life began with military service. Massie on left and Army buddy Dan Carroll enjoy a visit to Larry's & Priscilla's Allegan Forest home, ca. 1990. Photo: P. Massey

Living History Tour set for May 30,31

By Gari Voss

The 12th Annual Living History Cemetery Tour at Oakwood Cemetery in Allegan, MI always brings surprises. Audiences never know who will pop out to share their story. Amanda Strickfaden keeps them all under wraps, though she will send out a bit of a clue at times.

"Don't miss the chance to see Allegan lore and legend brought to life with first person portrayals of those who now rest in the park like setting of Oakwood Cemetery," explained the Friends of Oakwood Cemetery who sponsor the event.

Visitors on Friday, May 30 and Saturday, May 31, 2025, will meet characters who helped form the Allegan community. Actors bring the personalities to life and fill in valuable bits of history.

"The money raised thru ticket sales is used to purchase supplies to clean and repair headstones of those who no longer have family to tend to the maintenance," shared organizers.

Tickets can be purchased at the Allegan City Hall. Tours depart from the chapel every half hour, and that time will be printed on the ticket.

The tour will last approximately one hour, so wear comfortable walking shoes, and bring an umbrella if it looks like rain. Tours will be given whether rain or shine. For those with mobility concerns, golf carts are provided.

Monterey planners turn down latest DG site plan

The planning process to build a new Dollar General in Allegan County has hit a new roadblock.

Dozens of residents have taken to planning commission meetings in Monterey Township to campaign against a proposed Dollar General. Two representatives of Dollar General presented a plan to build on a property at 30th Street and 125th Avenue at a Monday, May 12 township meeting.

The Monterey Township Planning Commission voted unanimously against the site plan.

Scott Boeve, chair of the commission, cited the lack of inclusion of a propane tank and lack of space for unloading semitrucks as reasons for the rejection.

There's still a path for the Dollar General to be built at the site, however.

Dollar General can present the same site plan to the Monterey Township Board of Trustees for consideration, said Jason Derry, the township's zoning administrator. The plan will go before the board in three weeks, Boeve said.

Some of the issues from the original plan had been resolved in the new site plan, but the commission could only vote on the official plan submitted, Boeve said.

Dollar General could submit its newer site plan for official reconsideration by the planning commission, Derry said.

Allegan County CARES responds to weather related damage

By Gari Voss

Residents across Allegan County are beginning to "dig out" after the storms that struck the county on May 15, 2025, and continued into May 16th. Consumers Energy sent out about 500 teams to remove objects from wires and restore outages. But that does not cover the extensive damage to property.

Thanks to the efforts of the Allegan County Community Foundation(ACCF), a disaster relief fund exists. To assist residents, ACCF President/CEO Stephanie Calhoun released the following explaining how neighbors can assist neighbors by donating to the fund:

On May 15, 2025, a strong storm impacted many residents and neighborhoods across Allegan County. In response, the Allegan County Community Foundation's Disaster Response Fund — also known as Allegan County Cares — has been activated to support both immediate and long-term recovery needs.

We're reaching out to ask for your help.

Your donation to Allegan County Cares will provide financial resources to assist those negatively impacted by the storm. Funds will be used to support local nonprofits, agencies, and community partners as they help residents with shelter, repairs, and other essential needs.

Recovery takes time and every contribution helps. Together, we can ensure that our community has the support it needs to move forward.

Thank you for caring for your neighbors.

To make a donation, go to https://www.care4ac.org/ to assist in meeting the needs of Allegan County neighbors.

Motorcyclist dies in Hopkins crash

On May 16th around 2:56pm, Allegan County Central Dispatch received a call for a serious traffic crash at 18th St and 135th Ave in Hopkins Township. Preliminary investigation shows a south bound motorcycle on 18th St failed to stop at a signed four-way intersection while an SUV was making a north bound turn onto 18th St after making a complete stop from traveling east bound from 135th Ave.

The operator of the motorcycle was pronounced deceased on scene after life saving measures were attempted. . The names and information of all involved parties are being withheld at this time as the crash remains under investigation.

Fennville High School to Honor Command Sergeant Major Leo H. Banaszak IV as 2025 Distinguished Alumni

Fennville Public Schools is proud to announce that Command Sergeant Major (CSM) Leo H. Banaszak IV, a 2001 graduate of Fennville High School, has been named the 2025 recipient of the FHS Distinguished Alumni Award.

CSM Banaszak will also deliver the keynote address at the Fennville High School Graduation on Thursday, May 22. CSM Banaszak has built an extraordinary 24-year career in the U.S. Army, demonstrating unwavering dedication, leadership, and excellence. Currently serving as the Battalion Command Sergeant Major of the 2nd Battalion, 15th Field Artillery Regiment, he has earned numerous accolades, including the Bronze Star and the Army Commendation Medal with Valor, for his bravery in combat.

His leadership played a critical role in the successful capture of 35 insurgents during deployment. Throughout his service, CSM Banaszak has completed five years of combat deployments in support of Operation Iraqi Freedom and Operation Enduring Freedom. His career has taken him across multiple duty stations, and he has also pursued higher education, earning a Master of Science in Management from Excelsior University while balancing the demands of military service.

The FHS Distinguished Alumni Program recognizes truly outstanding graduates to inspire excellence at Fennville Public Schools. This honor is awarded to individuals who have demonstrated true excellence through an achievement, a series of achievements, or an exceptional career. Recognition as a Distinguished Alumnus is the highest honor Fennville Public Schools bestows upon a graduate.

Fennville Public Schools invites the community to join in celebrating CSM Banaszak's achievements at the 2025 Fennville High School Graduation Ceremony. Graduation takes place at George Bruder Memorial Field on the campus of Fennville Public Schools on Thursday, May 22 at 7:30pm.

Glow Disc Golf raises funds for Congregational Kitchen

By Gari Voss

Since October 5, 2006, the Congregational Kitchen has met the needs of individuals and families who desire a well-balanced meal once a week. The kitchen added a warehouse where they could take in food not only for their program but for other food pantries and kitchens in the area. Even though the kitchen has been able to receive some grant support, the free meals do not happen without additional funding.

In order to obtain the needed dollars, the Kitchen staff have offered meals to the public as fundraisers. These have helped, but the Congregational Kitchen Board felt it would be fun to find other ways to earn money. Enter the Glow Disc Golf Course at the First Baptist Church on M-40.

On Friday, May 23, 2025, the Congregational Kitchen will host its first Disc Golf at Night fundraiser at the First Baptist Church (FBC), 1290 32nd St, Allegan, beginning at 8:30pm. This is a wonderful partnership. Individuals, small groups and families are invited to come and play.

If participants do not have their own glow in the dark disc, FBC will provide it. If disc golf is new, assistance will be given on how to throw the disc and score the round.

There is no set fee to play. Congregational Kitchen Director Carrie Lovett shared that there will be a sign saying that $12 feeds a family of 4, but there is not pressure to donate that amount. Anyone who decides to donate needs to know that the amount will go directly into the Kitchen's account to provide free meals to others.

Lovett would like to give a special thank you to Keith at FBC and to the Tech Center Graphic Arts Department. Before summer break, the Arts Department will be making yard signs to remind residents and visitors that Glow Disc Golf will be available at the Baptist Church.

The next fundraising night will be June 27, 2025, beginning at 8:30pm. For additional information, contact Keith at (269) 673-5683.

THE TOWNSHIP OF SALEM

FRANCHISE GRANTED TO
SEMCO Energy Gas Company
Ordinance No. 05/13/2025

THE TOWNSHIP OF SALEM FRANCHISE GRANTED TO
SEMCO Energy Gas Company Ordinance No. 05/13/2025

An Ordinance, granting to SEMCO Energy Gas Company, a Michigan corporation, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges, waterways, and other public places, and to conduct a local gas business in the Township of Salem, located in Allegan County, Michigan, for a period of thirty years.

THE TOWNSHIP OF SALEM ORDAINS:

Section 1. GRANT OF FRANCHISE. The Township of Salem, located in Allegan County, Michigan (the "Township"), hereby grants to SEMCO Energy Gas Company, a division of SEMCO Energy, Inc., a Michigan corporation, its successors and assigns, (the "Grantee") the right, power and authority to construct, lay, operate, maintain and replace in the public streets, highways, alleys and other public places in the Township of Salem, Michigan, all needful and proper gas pipes, mains, conductors, service pipes and other apparatus and facilities requisite for the manufacture, transmission and distribution of gas for all purposes to the Township of Salem, and the inhabitants thereof, and for conducting gas elsewhere to supply neighboring cities, villages and other territories supplied with gas by said Grantee, for a period of ten (10) years.

Section 2. CONSIDERATION. In consideration of the rights, power and authority hereby granted, Grantee shall faithfully perform all things required by the terms hereof.

Section 3. CONDITIONS. No highway, street, alley, bridge or other public place used by Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to as good order and condition as when Grantee commenced the work. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes. Grantee will use its best efforts to not unreasonably interfere with or disrupt any public utility apparatus or facilities operated by the Township and, to the extent Grantee interferes with or disrupts any such public utility apparatus or facilities, Grantee shall restore such apparatus or facilities to as good order and condition as when Grantee commenced work.

Section 4. HOLD HARMLESS. Grantee shall at all times keep and save the Township, its employees and agents free and harmless from any loss, damage and expense of any kind on account of the Grantee laying, constructing, maintaining, and using mains, pipes, conduits and other appurtenances. Grantee's laying, constructing, maintaining, and/or use of said mains, pipes, conduits and other appurtenances, Grantee shall, upon notice, defend the Township, and its employees and agents, and save it free and harmless from all loss, cost and damage arising out of the Grantee's activities in laying, constructing, maintaining, and/or using said mains, pipes, conduits and other appurtenances. However, Grantee need not save Township harmless from claims, losses and expenses arising out of the gross negligence of the Township, its employees or agents.

Section 5. FRANCHISE NOT EXCLUSIVE. The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

Section 6. RATES. Grantee shall charge for gas furnished the rates, charges and special taxes as approved from time to time by the Michigan Public Service Commission, or its successors having authority and jurisdiction to fix and regulate gas rates and charges, or as otherwise permitted or required by applicable law or tariff, for the term of this franchise. Such rates shall be subject to Commission review and change at any time upon petition therefore being made by either said Township, acting by its Township Board, or by said Grantee.

Section 7. REVOCATION. The franchise granted by this ordinance is subject to revocation upon sixty (60) days written notice by the party desiring such revocation.

Section 8. MICHIGAN PUBLIC SERVICE COMMISSION JURISDICTION.
Grantee shall, as to all other conditions and elements of service not herein fixed, be and remain subject to the reasonable rules and regulations of the Michigan Public Service Commission or its successors, applicable to gas service in said Township and shall provide service in accordance with the terms and conditions set forth in its applicable tariff as approved from time to time by the Michigan Public Service Commission or its successors.

Section 9. SUCCESSORS AND ASSIGNS. The words "SEMCO Energy Gas Company" and "SEMCO Energy, Inc.," wherever used herein, are intended and shall be held and construed to mean and include SEMCO Energy Gas Company and its parent, subsidiaries, successors, affiliates, and assigns, whether so expressed or not. The word "Grantee," wherever used herein, is intended and shall be held and construed to mean and include SEMCO Energy Gas Company, SEMCO Energy, Inc., and the successors and assigns of each, whether so expressed or not. Grantee may assign the rights and obligations under this agreement as long as the Grantee provides prior written notice to the Township of any such assignment.

Section 10. FORCE MAJEURE. The Grantee shall not be liable for failure to furnish service as herein provided, or for any breach of the Grantee's obligations hereunder, if such failure or breach is caused by acts of God, labor troubles, riot, or any other causes or contingencies not reasonably within the control of the Grantee.

Section 11. VACATION OR RELOCATION. The Township may require the Grantee to vacate or relocate any portion of Grantee's facilities at the Grantee's expense if such vacation or relocation is necessary to secure the public health and welfare or is otherwise required by Grantor in the exercise of a governmental function.

Section 12. COMPLIANCE WITH LAWS. Grantee shall comply with all laws, statutes, ordinances, rules and regulations regarding the installation, construction, ownership or use of its facilities, whether federal, state, or local. Nothing in this agreement shall be construed as a waiver of governmental immunity afforded to the Township by law.

Section 13. EFFECTIVE DATE. Upon adoption, the Township Clerk shall deliver to Grantee a certified copy of this ordinance. Additionally, the Township shall publish this ordinance within thirty (30) days of its adoption and this ordinance shall take effect upon the day after the date of publication thereof, continuing for a term of ten (10) years from that date; provided, however, it shall cease and be of no effect after sixty (60) days from its adoption unless within said period the Grantee shall accept the same in writing filed with the Township Clerk.

Upon acceptance and publication hereof, the ordinance shall constitute a contract between said Township and said Grantee.

Allegan hospital food service to lay off staff

A food service company is laying off almost 250 employees as an Indiana health system acquires Ascension Michigan's southwest region.

Contracts that Compass Group USA, Inc. has with Ascension Borgess at four hospitals and a health and fitness center are set to be terminated early, according to Worker Adjustment and Retraining Notifications it filed earlier this month.

A total of 244 employees will be laid off on July 1, the notice says. Those employees include dietitians, cooks, dishwashers and housekeepers. The majority — about 200 — work at Ascension Borgess Hospital in Kalamazoo. The rest work at Ascension Borgess' hospitals in Allegan, Plainwell and Dowagiac, along with the Ascension Borgess Health & Fitness Center in Kalamazoo.

In April, Indiana-based Beacon Health System announced it was acquiring the four hospitals and dozens of clinics. Compass Group said it anticipates Beacon will offer the laid-off employees jobs; If Beacon doesn't, it will work to find impacted employers other opportunities within its company.

Faces in the Crowd

By G C Stoppel

This year we observe Memorial Day on Monday the 26th of May. This week's question: What does Memorial Day mean to you?

-Couple near the Fennville hardware store: Man: "You kidding me? It's big, real big. It's one of the most important things we can do - remembering those who gave their lives for this country!" Woman: "We go to the parade and stay through the speech, and go out to the cemetery, too, not like some people I could mention who don't bother with that!"

-Several men near the Blue Goose: "We're all vets. Those two are Marines; I'm Army. We all used to march in the parade, but none of us are up to that anymore. But we'll be there. We were just talking. If we don't go to the parade to remember those who died, maybe no one will go to it after we're gone."

-One of the men with him, "Yup, Paying it forward, like they say."

-Young couple near the Fennville grocery store: Man: "My folks want me to go, but we'll see." Woman: "Would it be any different if I asked you? You'd go then, I'll bet. So, you ought to go."

-Man near the Allegan Public Library: "Well, I usually go, but it depends on the weather, I guess."

-Man near the old jail museum: "I wouldn't feel right if I didn't go. Those guys gave their lives, so I always do what I can to remember them. I had a neighbor whose older brother was killed on that Bataan Death March. That's one reason I go." Turns to leave, then turns around. "I'd rather go to a parade and service here in town that watch some sort of big victory parade next month, even if it is on TV."

-Woman near the Allegan Post Office. "We've got a routine. After church and lunch on Mother's Day we go to the cemetery to decorate the family graves. And we go out every week all summer to water them. The flowers, I mean."

-Man, same location: "Yeah, I'm big on patriotism, so we'll go. My boys were Scouts and they helped put flags on all the graves, and I made them go to the parade with me, and in uniform."

-Older man near the Regent Theater: "It's still rough on me when I go to the parade and ceremony. I classmate of mine was killed in Hue, and it's stuck with me all these years. I was just thinking about him."

-Woman near the Huntington Bank: "Yes, I'm going. I get teary-eyed and a lump in my throat when the fellow plays "Taps," I'm going because it makes me so mad that the President and Musk and the rest of his rich-boy pals want to cut spending on the VA hospitals. I hate him because of what he's doing to them."

-Young man, same location, "Probably not. It's a day off from work so I think I'll try to sleep in. Anyway, it's the same thing every year.

Hillside Learning Center celebrates MOVE site dedication

On Wednesday, May 15, Hillside Learning Center hosted a heartfelt dedication ceremony to celebrate its designation as an Exemplar School by MOVE (Mobility Opportunities Via Education) International. The event took place under the bus awning at Hillside, where students, staff, families, and community members gathered to honor the life-changing impact of the MOVE program.

Students using a variety of mobility equipment, including gait trainers and standers, proudly participated in the celebration — a visible and moving reminder of the freedom and confidence the program promotes.

The event recognized Hillside's five-year journey with MOVE International, a curriculum designed to increase independent mobility for students with significant physical disabilities. In October, Hillside was evaluated for its implementation of MOVE and was officially designated as an Exemplar School in November.

"This celebration was a beautiful reflection of what's possible when we lead with inclusion and high expectations," said Superintendent William Brown of Allegan Area ESA. "It was especially meaningful to see students in motion — smiling, engaging, and fully part of the moment. That's what MOVE is all about."

The dedication ceremony featured remarks from school leaders, a personal story from Superintendent Brown, and expressions of gratitude from families and staff.

CITY OF ALLEGAN

NOTICE OF PUBLIC HEARING FOR MICHIGAN COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDING FOR THE ROSSMAN PARK AREA IMPROVEMENTS

The City of Allegan will conduct a public hearing on May 27, 2025 at 6:00PM at Allegan City Hall Council Chambers, for the purpose of affording citizens an opportunity to examine and submit comments on the proposed application for a CDBG grant.

The City of Allegan proposes to request $2,500,000 in CDBG funds to replace water main and sanitary sewer in the "Rossman Park" areas, which include Bond Street, Herkimer Street, Kalamazoo Street, Wayne Street, 4th Street, 5th Street, and Division Street. Sanitary sewer lining will also occur on Bond Street, Herkimer Street and 6th Street. Any lead service water lines in the project limits will be replaced as part of the project. As a non-grant participating cost, road reconstruction will occur on sections of streets without underground utilities on 4th Street, 5th Street, Division Street and Oak Court to address the area comprehensively. In addition to CDBG funds, matching costs of $7,091,901 will be paid through the city's water, sewer and streets funds. The entire project total of $9,591,901 will benefit at least 63.1% low to moderate income persons in the city. No persons will be displaced as a result of the proposed activities.

Further information, including a copy of the City of Allegan's Community Development Plan and CDBG application, is available for review. To inspect the documents, please contact Joel Dye (jdye@cityofallegan.org) or review at Allegan City Hall. Comments may be submitted in writing through Monday, May 27, 2025 by 5:00PM, or made in person at the public hearing.

Citizen views and comments on the proposed application are welcome.

Fired employees appeal against law firm denied

A Michigan Court of Appeals has affirmed a lower court's decision to dismiss a lawsuit filed by Nevin Cooper-Keel against his former employer, attorney Robert J. Baker and his firm, RJ Baker & Associates, PLLC. Cooper-Keel had sued for intentional infliction of emotional distress (IIED) and injurious falsehood following statements Baker made during Cooper-Keel's character-and-fitness investigation for admission to the State Bar of Michigan.

Case Summary

Nevin Cooper-Keel, a 2014 law school graduate who has not been admitted to the State Bar of Michigan, worked as a paralegal for RJ Baker & Associates from June 2015 to February 2016. He was fired in January 2016, with Baker citing dissatisfaction with his work performance. Cooper-Keel believed the dismissal was due to a colleague's jealousy.

In December 2020, when Cooper-Keel sought admission to the state bar, a representative contacted his former employers as part of the character-and-fitness investigation. Baker informed the representative that Cooper-Keel's "work product was not up to the firm's standards," which was the reason for his discharge. Cooper-Keel alleged these statements were false, defamatory, and caused him emotional distress, leading him to file suit.

The Decision

The Court of Appeals upheld the trial court's grant of summary disposition in favor of the defendants. The core of the decision rested on SBM Rule 15, which provides absolute immunity from lawsuits for statements and communications made solely to State Bar staff during a character-and-fitness investigation.

The appellate court reasoned that this immunity shields individuals, like Baker, from tort liability for such statements, even if those statements are alleged to be false, as long as they are provided within the scope of the investigation. The court found that the statements made by Baker fell under this protection.

Initially, Cooper-Keel's lawsuit also included claims for defamation and violation of the Whistleblowers' Protection Act, but he conceded these were barred by the statute of limitations.

Grounds for the Appeal

Cooper-Keel appealed the trial court's dismissal of his remaining claims (IIED and injurious falsehood) based on the following arguments:

Absolute Immunity and False Statements: He contended that SBM Rule 15 should not grant absolute immunity for statements that are false, arguing that immunity does not extend to protect perjury.

Causation as a Jury Question: Cooper-Keel argued that the question of whether Baker's statements directly caused his failure to be admitted to the State Bar was a matter of fact that should have been decided by a jury, not dismissed via summary disposition.

The Court of Appeals disagreed with these arguments, ultimately affirming the trial court's decision based on the defendants' absolute immunity under SBM Rule 15. The court also declined the defendants' request to sanction Cooper-Keel for filing a vexatious appeal, stating that such a request must be filed as a separate motion.

City of Fennville
Allegan County, Michigan
Notice of Intent to Hold a Public Hearing

PLEASE TAKE NOTICE that the Fennville Planning Commission shall meet at 6:30 p.m. local time at Fennville City Hall, 125 S. Maple St. Fennville, Michigan on Tuesday, June 10, 2025, to afford the public an opportunity to be heard with regard to proposed amendments to the Zoning Ordinance, in accordance with the Open Meetings Act.

The proposed text amendments are as follows:

A. Article 7, Section 7.6, Part A
Change "Rear Yard 20 ft" to "Rear Yard 10 ft"
Change "Side Yards 8 feet (each)" to "Side Yards 5 feet (each)"
Change "Minimum lot width 50 ft" to "Minimum lot width 30 ft"

B. Article 8, Section 8.6, Part A
Change "Rear Yards 20 ft" to "Rear Yards 10 ft"
Change "Minimum lot width 50 ft" to "Minimum lot width 30 ft"

C. Article 12, Section 12.6, Part A
Change "Minimum lot width 50 ft" to "Minimum lot width 30 ft."

If these changes are acceptable, then Article 6, Section 6.2 - Schedule of Regulations will need to be amended to read:
a) R-1 – Minimum Lot Width – "30 feet" and Minimum Rear Yard Setback "10 ft".
b) R-2 – Minimum Lot Width – "30 feet" and Minimum Rear Yard Setback "10 ft".
c) B-1 – Minimum Lot Width – "30 feet."

D. Article 3, Section 13.2, part S
For Setback - Add
"1. The minimum front yard setback in the R-1, R-2, and B-1 zoning districts shall be consistent with the front yard setbacks of properties within 200 feet of the subject property or 15 feet, whichever is less."

E. Article 5. General Provisions - Add
Section 5.13 Manufactured Homes
A. Manufactured homes may be approved by the Zoning Administrator and shall comply with the following requirements:
1) The minimum size of a manufactured home shall be 720 square feet first floor living area. No manufactured home shall be placed on property with any side less than 12 feet in width.
2) Any manufactured home placed on property within the city shall not be older than 15 years of age within the current year.
3) Manufactured homes shall not be used as storage structures.

Written documents may be submitted to the Clerk at 125 South Street, Fennville, MI 49408 up to the date of the hearing and may also be submitted at the hearing.

Anyone interested in reviewing the text amendments may examine a copy at City Hall by contacting the Clerk 269-561-8321 during normal business hours.

Necessary and reasonable aids for disabled persons will made available with sufficient notice to the clerk.

The City of Fennville Planning Commission and City Commission reserve the right to make changes in the above mentioned proposed ordinance at or following the public hearing.

Allegan claims Division 4 regional championship

By Jason Wesseldyk
Sports Editor

At the Division 4 girls tennis regional hosted by Allegan on Thursday, May 15, four of the nine teams scored at least 18 points.

But none scored more than the Tigers.

With each of the eight flights contributing at least two points, Allegan finished with 25 points to win the regional championship and punch its ticket to the State Finals at the Midland Tennis Center beginning Friday, May 30.

"From the outset of the season, our girls demonstrated their potential with a tough schedule and even tougher practices," Allegan coach Damien Arthur said. "As the season progressed, they continued to grow, with each player contributing to the team's success."

The Tigers, who are competing in Division 4 for the first time in program history, are returning to the State Finals following a one-year hiatus. Allegan placed fourth in a Division 3 regional last year.

"These girls displayed grit, determination and outstanding teamwork to capture the regional championship this season," Arthur said. "Despite being a young squad, the team's hard work and relentless pursuit of improvement throughout the year paid off."

As she's done throughout the season, No. 1 singles Addy Fales led the charge for Allegan.

Not only did Fales win all three of her matches to win the flight title, but she did so without dropping a single set and losing just six total games.

"Addy was a standout performer for us," Arthur said. "Her dominance at the top of the lineup was a crucial factor in our triumph, providing the team with a solid foundation."

The Tigers also excelled in doubles.

Allegan advanced to the finals in all four doubles flights, winning three of them and finishing second in the other.

"Our doubles teams showcased their strength," Arthur said. "The team's depth in doubles proved to be a major advantage, with consistent performances across the board leading to crucial points that helped seal the win."

No. 1 doubles Taylor Fuller/Hanna Kievit won their flight title, as did No. 2 Ireland Dewey/Madison Cook and Lilli Kelley/Shy Thompson.

No. 3 doubles Sophie Augustine/Emma Scheffler made it to the finals before dropping a hard-fought 7-6 (5), 6-3 decision to Buchanan.

No. 2 singles Judith Ducourau, No. 3 singles Kendall Halstead and No. 4 singles Serenity Puente each won one match following opening-round byes.

"This championship is a testament to our girls' relentless dedication and team spirit," Arthur said. "Their hard work and perseverance over the course of the season have set the stage for even greater achievements in the future."

Otsego's Hoffman, Allegan's VandenAkker win two regional titles

BERRIEN SPRINGS—Otsego's Emma Hoffman entered the Division 2 regional meet at Berrien Springs undefeated in the 1,600-meter-run and the 3,200-meter run.

She left the meet with that unblemished record intact.

Posting a time of 4:45.72 in the 1,600 and 10:51.74 in the 3,200, Hoffman easily won both events and will head to the State Finals as the top seed in each of them.

Hoffman's strong performance helped lift Otsego to a fifth-place showing in the team standings with 52 points. Plainwell was seventh with 36 points, while Allegan was 11th with 26 points.

As has been the case throughout the season, Hoffman didn't just win. She dominated.

Her time in the 1,600 was nearly 18 seconds better than runner-up Kaylee Sprague of Stevensville-Lakeshore, while her time in the 3,200 was nearly a full minute—58.42 seconds, to be exact—better than Plainwell's Mai Nguyen, who placed second.

"Emma has worked unbelievably hard to put herself in a position to win a pair of state titles and has met every challenge so far this season," Otsego coach Justin Scott said. "I am excited for her to have an opportunity to push herself even farther than she has thus far and I think we may see some historic times in the next two weeks."

Also dominant was Allegan hurdling specialist Jayden VandenAkker.

After winning the 100 hurdles with a time of 15.95, VandenAkker won the 300 hurdles at 45.81.

"Jayden dominated both her races and looked really strong," Allegan coach Mike Chalupa said. "It was great to see her in the shape she is, as she worked through some mid-season injury issues. She seems to be right on track to run fast and be competitive (at the State Finals) in Hamilton on May 31."

Plainwell's Jadyn Erdody joined Hoffman and VandenAkker in qualifying for the State Finals in two events.

Erdody was third in the 300 hurdles at 48.11, while she was fourth in discus at 103-6.

Other state qualifiers for Otsego were Olivia Klimp in long jump (fifth at 16-9) along with Madden Fitzpatrick and Audrey Holmes in throws. Fitzpatrick was fifth at 35-4.5 and Holmes was sixth at 34-11.

"Olivia is an explosive athlete who loves to compete, and she seems to get better and better each time she steps on the runway," Scott said.

"Madden and Audrey qualifying in the shot put as underclassmen is also a huge accomplishment. Neither one of them is incredibly tall or incredibly big. They have found success by being detail oriented technicians and attacking every single workout and practice with intensity and focus."

For Allegan, Bailee Dilley will join VandenAkker at the Finals thanks to her fourth-place showing in pole vault of 9-6.

"We were excited to have Bailee hit the qualifying mark in the pole vault this year," Chalupa said.

Plainwell's 4x100 team of Hailey Newcomb, Delainey Poel, Nyra Cross and Alayna Ranney also hit the qualifying mark, as they had a time of 51.03 to place fifth.

The Division 2 State Finals are slated for Saturday, May 31, at Hamilton High School.

Wesseldyk claims three titles at regionals

By Jason Wesseldyk

BERRIEN SPRINGS—What a difference a year can make.

After having just two state qualifiers last season, the Otsego boys track team will send nine athletes in seven events to the Division 2 State Finals this year.

"Friday was a great day for our program," Otsego coach Steve Long said. "Beyond the guys that scored points or qualified to state, I was happy with our overall competitiveness. This is always a really fun time of the year with the excitement of perhaps earning a couple more weeks of the season and a trip to the State Finals."

Otsego placed fifth in the team standings with 72.5 points, which was just two points behind fourth-place Coldwater. Plainwell was 10th with 22 points, while Allegan placed 14th with three points.

Caleb Wesseldyk led the charge for the Bulldogs, as he was part of all three of Otsego's event victories. That included running the anchor leg for the 4x800 relay team that also included Holten Mulherin, Matt Long and Kenny Sheffer.

In that event, the Bulldogs posted a season-best time of 8:09.64 to edge out favorite Three Rivers by 1.9 seconds.

"I love the relays, so the race of the day for me was the 4x800," Steve Long said. "We came in with a season best time of 8:24 and hadn't even really given the top seed a run for their money all season.

"I gave each of the guys a goal time to hit in order to run what I thought would be perhaps our best performance possible. All four of the men hit those times or better and we finished with a 15-second season best time to snag the regional champ spot."

Mulherin ran a split time of 2:04, while Matt Long was at 2:02, Sheffer was at 2:06 and Wesseldyk was at 1:57.

Wesseldyk also won the 1,600 at 4:25.04 and the 3,200 at 9:54.82.

"Caleb had a pretty great day, winning three events," Steve Long said. "He looked pretty comfortable in all of the runs. I really like where his confidence is right now. He looks strong and feels strong."

Sheffer finished second to Wesseldyk in the 3,200, clocking in at a personal-best of 9:56.32.

"Kenny has always been known for his endurance, but he's really been working on his leg speed this season," Steve Long said. "He showed that off a little bit walking away from the competition in the last couple laps to take the runner-up spot."

Otsego's Caleb Wesseldyk won regional titles in the 1,600, the 3,200 and the 4x800 relay. (Photo by Jason Wesseldyk)

Carson Brooks also posted a runner-up finish, with his coming in pole vault with a height of 12-8.

"Carson has had a great season so far, and he had another great day at regionals," Steve Long said. "He's been eyeing the school record of 13-6 all season, so he's excited to get one more shot at it at the State Finals against the best vaulters in the state."

Like he did last season, Alex Robbins qualified in both shot put and discus. He placed third in discus at 152-7.5 and fifth in shot put at 50-10.

"Alex had a solid day in the throws," Steve Long said. "When Alex is on, he's really an impressive athlete. I'm excited to see what he can do at the State Finals."

Also qualifying for the Finals for Otsego was the 4x400 relay team of Michael Spitzner, Zeke Andrina, Matt Long and Jack Cook.

"I was also impressed that a couple kids gave up their individual races to try to help their relay teams qualify," Steve Long said. "Michael Spitzner gave up his 300H race, which has been his best race all season. And Matt Long gave up the open 400 and 800.

"I can't say enough about this group of young men. Last season, our top 400 runner was a :55, and this year, these guys have embraced the pain of this event and really helped change the culture of this program."

Plainwell, meanwhile, had one state qualifier, as Donovan Ryan finished runner-up in the 1,600 at 4:27.78.

"I believe the boys did the best they could," Plainwell coach Scott Evans said. "We had a lot of great performances, but I know that not everyone had the day that they had hoped for.

"I thought Donovan ran a smart race and just stayed with the pack. With about a lap to go he went with the leader. I'm thinking with some training this week and early next week we will be running even faster at the state meet."

Allegan's best showing came from Kellen Chalupa, who posted a 2:04.4 in the 800.

Martin baseball splits twin bill with Black River

By Jason Wesseldyk
Sports Editor

MARTIN—A big game from Blake Sweeting helped lift the Martin baseball team to a 10-3 win over Black River in the opener of a twin bill on Tuesday, May 13.

Sweeting drove in four runs, including a two-run double in a five-run sixth inning for the Clippers.

Isaac Suk had two hits for Martin, which racked up 12 stolen bases and seven walks.

On the mound, Anderson Keeler and Jackson Kennedy combined to allow one earned run.

In the nightcap, Martin fell 6-5.

Haylen Buell led the Clipper offense with two RBI, while Keeler swiped three of the team's seven stolen bases.

Kennedy struck out 10 batters over 4.1 innings, but Black River's offense proved just enough to hold off the Clippers' comeback bid.

Saugatuck girls place second at regionals on home track

By Jason Wesseldyk
Sports Editor

SAUGATUCK—For the second year in a row, Saugatuck played host to a track & field regional.

The difference was that last year it was a Division 4 regional, while this year it was a Division 3 regional.

Despite that step up in the level of competition, the two Saugatuck teams still put together strong performances.

The Saugatuck girls finished runner-up with 85 points, while the Saugatuck boys tied for fifth place with 50 points.

Newaygo won the girls title with 93.6 points. Fennville was 13th with 16 points.

On the boys side, North Muskegon won with 134 points, followed by Wyoming Potter's House (56) in second, Montague (54) in third, Ravenna (53) in fourth and Kent City (50) tied for fifth with Saugatuck. Fennville competed but failed to score.

Alina Martinson and Mazie Robison led the charge for the Saugatuck girls, with each winning at least one individual event and qualifying for the Division 3 State Finals four events apiece.

Robison's day included a pair of victories, as she won the 100 dash (13.27) and the 100 hurdles (15.37). She also placed third in the 200 dash at 26.9 to qualify for the finals in that event as well.

Martinson took first in the 400 at 59.15 and was runner-up in the 800 at 2:28.57.

Robison and Martinson also teamed with Leora Buss and Mallory Hass to finish fourth in the 4x100 relay with a qualifying time of 52.56.

Martinson's final qualifying time came in the 4x800 relay, where she joined Savannah VanDenBerg, Kamryn Sixberry and Lyvia Curtis to earn runner-up honors in the 4x800 relay at 10:10.28.

Niki McNeil accounted for Saugatuck's other qualifying effort, as she won discus with a personal-best distance of 131-2.

The Fennville girls had a pair of qualifiers in Isabelle Sliter and Sara Skinner.

Sliter finished second in the 1,600 with a time of 5:25.31. Skinner was second in pole vault at 9-0.

On the boys side, seniors Carter Miller and Cass Stanberry advanced to the State Finals.

Miller won discus at 137-8, while Stanberry was second in long jump at 21-2.5.

Otsego's Lingbeek hits for cycle

By Jason Wesseldyk
Sports Editor

OTSEGO—Audrey Lingbeek hit for the cycle to highlight a 20-hit attack by the Otsego softball team in the second game of a doubleheader against Middleville on Monday, May 18.

Lingbeek finished 4-for-4 with a home run, a triple, a double, a walk, five runs and four RBI as the Bulldogs prevailed 15-4.

The win allowed Otsego to salvage the split after dropping the opener 5-2.

Lingbeek was one of six Bulldogs to collect multiple hits in the nightcap. The others were Addy Lucas (4-for-5 with two runs and three RBI), Alyvia Farrell (3-for-5 with three runs and an RBI), Mariah Weaver (2-for-4 with a run and three RBI), Mikayla Bateman (2-for-2 with a run and two RBI) and Sydneigh Mosher (2-for-2).

Cassie Holland pitched all six innings of the mercy-rule-shortened game, allowing four runs on nine hits with a walk and three strikeouts.

Lingbeek pitched a complete game in the opener, striking out 12. But she took the loss, as Middleville scored five runs on seven hits and three walks.

Lucas and Emma Zimmerman each went 2-for-3 in the losing cause.

On Friday, May 16, Lingbeek connected for three home runs in Otsego's Wolverine Conference twin bill at Three Rivers.

That was the good news for Otsego. The bad news was that Three Rivers took both games, winning by scores of 5-4 and 12-6.

In game one, the Bulldogs got RBI singles from Farrell and Lingbeek in the top of the seventh inning to knot the score at 4-4. But Three Rivers pushed a run across the plate in the bottom of the frame to secure the win.

Lingbeek finished 3-for-4 with a homer and a double. She also started in the pitcher's circle and took the loss, allowing five runs—two earned—on three hits with two walks and 11 strikeouts.

Mosher added a 2-for-3 effort.

In the nightcap, Lingbeek had a sacrifice fly and launched a pair of two-run homers to drive in five of Otsego's six runs. But that wasn't enough.

Farrell went 2-for-3 with a double and three runs in the loss.

Hamilton baseball earns walk-off victory

By Jason Wesseldyk

HAMILTON—The second game of the baseball doubleheader between host Hamilton and Unity Christian on Monday, May 19, was a true pitchers' duel.

Neither team scored through the first eight innings.

But after Unity Christian scored once in the top of the ninth inning, the Hawkeyes responded with a pair of runs in the bottom of the frame to claim the 2-1 victory in walk-off fashion.

The win allowed Hamilton to complete the sweep thanks to a 4-3 win in the opener.

In the second game, Owen Brown led off the bottom of the ninth for Hamilton with a double. He scored on a single by Clay Blauwkamp, who took second base on the throw to the plate.

That set the stage for Brett Vanderkooi, who laced a double to drive in the winning run.

Caleb Oosterink started for Hamilton and worked the first 5.2 innings, striking out five. Dakota Breuker was credited with the win, throwing the final 3.1 innings and allowing the one run.

Marc Brower went 2-for-3 at the plate with a walk.

Blauwkamp earned the win in game one, scattering eight eights and allowing one earned run in the complete-game effort.

Brower and James Hoffman both went 2-for-3 with a run to lead Hamilton's offensive charge.

Saugatuck soccer shuts out Lawton

By Jason Wesseldyk
Sports Editor

SAUGATUCK—At halftime of its SAC contest with visiting Lawton on Monday, May 18, the Saugatuck girls soccer team found itself facing a 3-2 deficit.

But the second half belonged to the Trailblazers.

Saugatuck outscored the Blue Devils 3-0 after halftime to secure the 5-3 win in comeback style.

"We're finally starting to recover from some of our mid-season injuries," Saugatuck coach Jim Theis said.

Neave Rewa spearheaded the Trailblazers' offensive attack, scoring a pair of goals and assisting on another.

Alina Martinson and Mariela Garcia also were involved in multiple goals. Martinson scored twice, while Garcia finished with one goal and two assists.

Mallory Hass assisted on two goals for Saugatuck and Sage Larsen contributed one assist.

Kennedy Gustafson was busy in goal, as she faced 17 shots from Lawton and finished with 14 saves.

On Friday, May 16, Saugatuck traveled to Allegan to take on the Tigers.

After a scoreless first half, Allegan tallied two second-half goals to hand the Trailblazers a 2-0 loss.

Gustafson was even busier in this game, as she racked up 26 saves.

Wayland softball sweeps twin bill to win league title

By Jason Wesseldyk
Sports Editor

GRAND RAPIDS—A doubleheader sweep over West Catholic on Monday, May 18, moved the Wayland softball to 12-0 in the OK Gold and secured the 30th conference title in the program's 50-year history.

The Wildcats won by scores of 10-0 and 17-2.

Harmony Laker started the scoring in game one with a solo homer in the second inning. The Wildcats never looked back, plating five runs and inning later and stopping the game after five innings due to the mercy rule.

Mackenzie Kositzky led Wayland with three hits, while Laker and Shelby VanHouten each drove in a pair of runs.

Maddie Ludema started the game for Wayland and pitched all five innings. She limited West Catholic to two hits while striking out three.

In the nightcap, Wayland trailed 2-1 after one inning. But the Wildcats quickly changed that, plating eight runs in the second frame to go up 9-2. A two-run double by Ludema was among the big hits of the inning.

Rae Stallard led Wayland's offensive charge, going 3-for-3 with home run.

The Wildcats displayed a good eye at the plate, collecting 14 walks. Clara Dutkiewicz and Kaylee Lown led the team with three bases on balls each.

Stallard, VanHouten and Laney Wolf each stole multiple bases for Wayland, which finished with nine steals.

Laker started in the circle for Wayland, allowing two runs on two hits in 3.2 innings to collect the win. She struck out six and walked four

Hamilton boys send 10 athletes to Finals

By Jason Wesseldyk
Sports Editor

ALLENDALE—Hamilton boys track coach Matthew Field's primary goal at the Division 2 regional at Allendale on Saturday, May 17, was simple.

"The guys I brought (to the regional meet) were almost all seniors, so we wanted to send as many of them as possible to (the State Finals) in their preferred events," he said.

Mission accomplished.

The Hawkeyes will have 10 athletes representing them at the State Finals when they host the event for the second straight year on Saturday, May 31.

Hamilton placed fifth in the team standings with 66 points, while Wayland was fourth with 68 points and Hopkins was ninth with 33 points. Allendale won the regional title with 102.75 points, followed by Whitehall (99) and Holland Christian (78.75).

"Despite the challenging weather, we accomplished our goal for the meet," Field said. "Winning regionals as a team would be an important achievement, but we were not willing to jeopardize any athlete's opportunity to qualify for state in the chase for that team regional title.

"This meant pulling athletes out of some field events and the 4x800 relay, leaving a lot of points on the table. But the benefit of focusing on individuals for regionals this year is that we'll have 10 athletes representing us at the State Finals.

Eight of those athletes are seniors.

"We're excited to give (the seniors) a proper send off for their final home meet," Field said.

Hamilton was particularly strong in the relays, as the Hawkeyes won one and finished second in two others.

The team of AJ Friedriechsen, Zach Stoel, Gabe Schrotenboer and Jeren Bronkhorst won the 4x200 at 1:31.31. The runner-up finishes came from the 4x100 team of Noel Vigil, Friedriechsen, Cyrus Berens and Bronkhorst (44.18) and the 4x400 team of Abatu Dykstra, Schrotenboer, Bronkhorst and Friedriechsen.

Lincoln Phillips led the way for Hamilton in the individual events, winning the 300 hurdles (40.27) and placing second in the 110 hurdles (15.55) to qualify in both.

Hudsen Hulst (seventh in the 110 hurdles at 16.37) and Logan Eding (third in discus at 154-6) also qualified.

Wayland had two state qualifiers, both of whom are throwers.

Ashton Kuhlmann was a double qualifier, doing so by winning shot put (48-0.25) and placing seventh in discus (143-8.5).

Adam Huff won discus with a distance of 163-0.

"We're really excited for Adam and Ashton being regional champs on a pretty tough weather day," Wayland coach Marty Howard said.

Huff is the defending state champion in discus.

"I thought we had good opportunities for a handful of other kids to be able to qualify for the finals, but the cooler temperatures and strong winds made conditions difficult," Howard said. "There were very few additional qualifiers throughout the entire day and it was disappointing, but nothing we could control."

Wayland will join Hamilton as two of the 20 teams to compete at the MITCA Team Finals in Berrien Springs on Friday, May 23.

For Hopkins, Clayton Kerber (second in the 300 hurdles at 41.59) and Luke Klinge (third in pole vault at 12-8) qualified for the Finals.

On the girls side, Hopkins led the way with six state qualifiers in five events. Hamilton and Wayland each had one state qualifier, with both coming in pole vault.

Kambria Moored led Hopkins, as she qualified individually in the 100 hurdles (second at 15.74) and 300 hurdles (second at 49.06). She was also part of the qualifying 4x100 team (second at 50.9) and also included Annika Ford, Ellarie Baugh and Riley Homrich.

Homrich won the 100 at 12.73, while Keilah Bonga won discus at 122-1 to account for Hopkins' other qualifiers.

Hamilton's Izabella Tamminga won pole vault at 10-0, while Wayland's Evie Mathis had previously met the early qualifying mark. Mathis did not compete at regionals.

In the team standings, Hopkins was fifth with 59 points, Wayland was eighth with 33 points and Hamilton was ninth with 24 points.

Perez leads Fennville soccer to victory

By Jason Wesseldyk
Sports Editor

FENNVILLE—Nadia Perez has been the Fennville girls soccer team's top scoring threat throughout the season.

The home game with Bangor on Monday, May 19, was no exception, as Perez scored three goals to lead the Blackhawks to the 5-0 win.

Christina Mendoza and Andy Balke also got in on the scoring action, with each picking up a goal and an assist.

Mayling Mendoza-Huynh and Marisol Diaz each added an assist in the winning cause.

Rayman claims medalist honors at Mustang Invite

By Jason Wesseldyk
Sports Editor

SCOTTS—Of all the golfers in the eight-team Mustang Invitational hosted by Portage Central on Monday, May 19, all but one finished with a score over par.

That one? Plainwell's Drew Rayman.

Shooting an even-par 36 on the front 9 and an even-par 35 on the back 9, Rayman carded a 71 to earn medalist honors by four strokes over a group of three that included Otsego's Spencer Shearer.

Rayman's winning effort helped lift Plainwell to a second-place showing in the team standings at 314, which was two strokes behind winner Portage Central. Otsego was fourth at 319.

For Rayman, a pair of birdies on the first four holes of the front 9 negated a pair of bogies on the final four holes. And on the back nine, three birdies on the first four holes made up for a bogie on No. 16 and a double bogie on No. 18.

Sawyer McCall (79), Gibson Youngs (83) and Jon Schmidtke (92) also scored for Plainwell.

For Otsego, Owen Santman was one stroke behind Shearer at 76. Karson Holladay (84) and Andrew Ballman (84) followed.

On Monday, May 12, Plainwell participated in the Tulleymore Invitational and earned a top-10 finish in a field that included the top two teams in Division 2. Plainwell finished at 334.

Rayman shined in this event as well, carding a 73 to place second out of 120 golfers. Rayman had three birdies along the way.

McCall (86), Youngs (87) and Cameron Larsen (88) rounded out the scoring for the Trojans.

For The Record

Peek at the Past

From the pages of The Allegan News and The Allegan County News and Gazette:

May 22, 1950

Jones family races time to complete speedway for Memorial Day opening: A big hill, two swamps and a cornfield in Trowbridge Township are being transformed into what promises to be the fastest stockcar racing track in southwestern Michigan.

The "Jones Speedway" will get is baptism Memorial Day, May 30, when some of the top drivers in the Midwest will fight it out for purses which owner-builder-operator Carl Z. Jones promises will be "generous."

Located four miles south of Allegan on M-40 on the east side of Pike Lake, the quarter-mile track is rapidly taking shape. By the same day-and-night work that brought Jones and company this far, they have no doubts about everything will be ready for the grand opening next Thursday.

May 22, 1975

Allegan's Padgham Field at critical juncture?: In Jim Michel's eyes, Allegan's airport is the door through which the city can get off the ground.

City Manager Kenneth Bollinger, however, sees the airport now as "just a rich man's tool."

But while the two seem nautical miles apart, both agree an air facility is an important key in helping the city continue to grow.

As in most matters involving people who collect, and who spend, taxpayers' cash, it's the money that separates the two.

"Business goes where airports go," said Michels, the airport manager and co-owner, with his wife Diane, of Allegan Aviation. "The airport is literally Allegan's front door for air and business transportation."

But says Bollinger:

"There just hasn't been the kind of demand and traffic to generate adequate revenue that you need for a successful operation. We have to continue operating the airport for the good of the town, but it's now a burden to the taxpayer to the tune of about $500,000."

May 25, 2000

Area resident gets big lottery win: Local Saugatuck resident Mark McVea is one of the most recent winners in the Big Gane Lottery.

McVea matched five numbers in the May 5 game, which brought him a prize of $150,000.

"Once I found out what the winning numbers were, I just kept checking my ticket over and over again," McVea said in a press release from the lottery bureau. "I didn't believe I was a winner until I called the lottery to verify I had a winning ticket."

McVea is planning on leaving the money in his bank account as it is making more interest than some other investment options currently. He doesn't have any other clear plans for the money just yet.

He does plan to acquire a new car, but said that he really likes older cars for style and dependability.

He also thinks that taking a fishing trip up to Hudson Bay in Canada would be especially memorable.

"I've always wanted to do that," he said. "It just seems like such a beautiful area up there."

The current plans for some of the money include donations to worthy causes.

"I will definitely give something to the Masonic Lodge and to the Disabled American Veterans organization," McVea said.

Marked by a stone bearing a sign denoting its official opening, Allegan's airfield stands at a critical juncture: From here it might become a financial success. . . or remain what City Manager Bollinger calls a 'burden on the taxpayer.'

Plainwell's TerMeer, Timpe sign to play soccer for Delta: Lifelong friends and Plainwell High School seniors Alivia TerMeer and Paige Timpe were excited about the opportunity to play one final season together as members of the Trojan girls soccer team.

The COVID-19 pandemic robbed them of that opportunity, as spring sports were cancelled due to schools being shut down for the remainder of the academic year.

That, however, doesn't mean the two have played together for the last time.

Rather, TerMeer and Timpe will join forces at the collegiate level, as both recently signed their letters of intent to continue their soccer careers at Delta College.

"We are so excited for Aliva and Paige to join our team," Delta coach Damon Amey said. "Not only are they great soccer players, but they are also amazing people and will fit very well with the dynamics of our program and what we're building here."

Playing together in college wasn't always a goal for TerMeer and Timpe.

"At the beginning (of the recruiting process), we never really talked about (going to the same college)," Timpe said. "But then we both started receiving offers from the same schools and going to the same camps together.

"So, we started talking about the pros and cons of each school and we ended up choosing to go to Delta together next year."

Public Notices

NOTICE OF MORTGAGE FORECLOSURE SALE

This firm is a debt collector attempting to collect a debt. Any information we obtain will be used for that purpose.

Notice of foreclosure by advertisement. Notice is given under section 3212 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3212, that the following mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at a public auction sale to the highest bidder for cash or cashier's check at the place of holding the circuit court in Allegan County, Michigan, starting promptly at 9:00 o'clock in the forenoon on Thursday, the 5th day of June, 2025. The amount due on the mortgage may be greater on the day of the sale. Placing the highest bid at the sale does not automatically entitle the purchaser to free and clear ownership of the property. A potential purchaser is encouraged to contact the county register of deeds office or a title insurance company, either of which may charge a fee for this information.

The mortgage was made by KEITH BUCHHOLZ, a single man ("Mortgagor"), to GREENSTONE FARM CREDIT SERVICES, FLCA, a federally chartered corporation, having an office at 3515 West Road, East Lansing, Michigan 48823 (the "Mortgagee"), dated August 8, 2019, and recorded in the office of the Register of Deeds for Allegan County, Michigan on August 13, 2019, as Document No. 2019013541 or Liber 4370, Page 462 (the "Mortgage"). By reason of a default under the conditions of the Mortgage, the Mortgagee elects to declare and hereby declares the entire unpaid amount of the Mortgage due and payable forthwith. Mortgagee is the owner of the indebtedness secured by the Mortgage.

As of the date of this Notice there is claimed to be due for principal and interest on the Mortgage the sum of One Hundred Seventy-Nine Thousand Seven Hundred Ninety and 48/100 Dollars ($179,790.48). No suit or proceeding at law has been instituted to recover the debt secured by the Mortgage or any part thereof.

The premises covered by the Mortgage are situated in the Township of Ganges, County of Allegan, State of Michigan, and are described as follows:

The South 40 acres of the North 70 acres of the East 3/4 of the Southeast 1/4 of Section 34, Town 2 North, Range 16 West, Ganges Township, Allegan County, Michigan, except a strip 1 rod wide off the North side thereof.

And the Northwest 1/4 of the Southwest 1/4 of the Southeast 1/4 of Section 34, Town 2 North, Range 16 West, Ganges Township, Allegan County, Michigan

Together with all fixtures, tenements, hereditaments, and appurtenances belonging or in any way appertaining to the premises.

Commonly known as: 1270 64th Street, Fennville, Michigan 49408

P.P. #03-07-034-015-01 and 03-07-034-015-02

Notice is further given that the length of the redemption period will be one (1) year from the date of sale.

If the premises are sold at a foreclosure sale, under MCLA §600.3278 the Mortgagor will be held responsible to the person who buys the premises at the mortgage foreclosure sale or to the Mortgagee for damaging the premises during the redemption period.

Attention homeowner: If you are a military service member on active duty, if your period of active duty has concluded less than 90 days ago, or if you have been ordered to active duty, please contact the attorney for the party foreclosing the mortgage at the telephone number stated in this notice.

RELIGION SECTION

I was shaving on Easter Monday I heard the news on the radio of Pope Francis' death, and it surprised me. Hadn't we just seen him the day before, waving to the crowds who had come to the Vatican to celebrate the resurrection of Jesus? Then the next morning, he was gone. All things considered, what a perfect way to pass away.

One phrase which we all heard repeated many times over is "Holy Father." It is one of the titles associated closely with the Popes, and I like it. No, I am not a Roman Catholic, so it is impossible for me to understand it completely. However, I did have a father, so I get the general drift of its meaning.

We sometimes speak of the 'father figure.' Usually, it is an older, intelligent, experienced man with a kind and gracious heart. For those of us of a certain age, television provides examples in programs such as Leave it to Beaver, Father Knows Best, and Andy Griffith. Suffice it to know that Archie Bunker and George Jefferson will not make the cut.

Above all, regardless of the individual's intellect or any other attribute, we want personal connection from someone who touches our heart and mind on our level. Pope Francis ticked many of the right boxes for many people. He was the great leader of a vast church, powerful and influential, yet welcomed a young child who spontaneously came up to him in the middle of an important meeting. On his last day, while touring the courtyard in front of St Peter's, he paused to bless an infant.

This was never staged or planned. It was not a 'photo-op' to make him look good. It came straight from the heart, and people loved him because of it.

The world will always have a desperate need for father figures, and it is never based on their wealth or status. It is their heart that matters. Some seventy years later, and I remember how Dr. Howard Polley would drop down to his knees in the middle of the church foyer to shake hands on my level. No one told me he was a famous physician who helped develop Cortisone and was well known around the world. We were friends, and that is all that mattered then or now.

Or Evans, the custodian at the local historical society where I had my first job as his assistant, who taught practical lessons in self-discipline and hard work. Or, Mr. Ness who had a small cabinet making shop, and shared his knowledge of different types of wood. Or Professor Henry who, when he realized I had a passionate interest in church history, always welcomed me into his office for tea and conversation.

All of these men, along with many others, had an openness and a heart for other people. They gave of themselves and wanted nothing in return.

As I wrote, Pope Francis gave us some good examples of how, by a few moments of what might be called the human touch, can make the lives of others so much better. If we choose, we can join their ranks.
